

Overview:

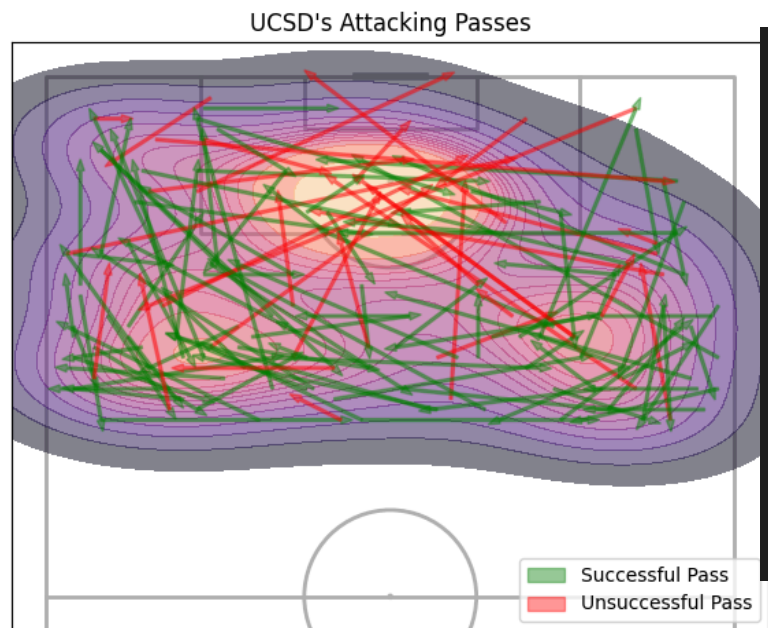

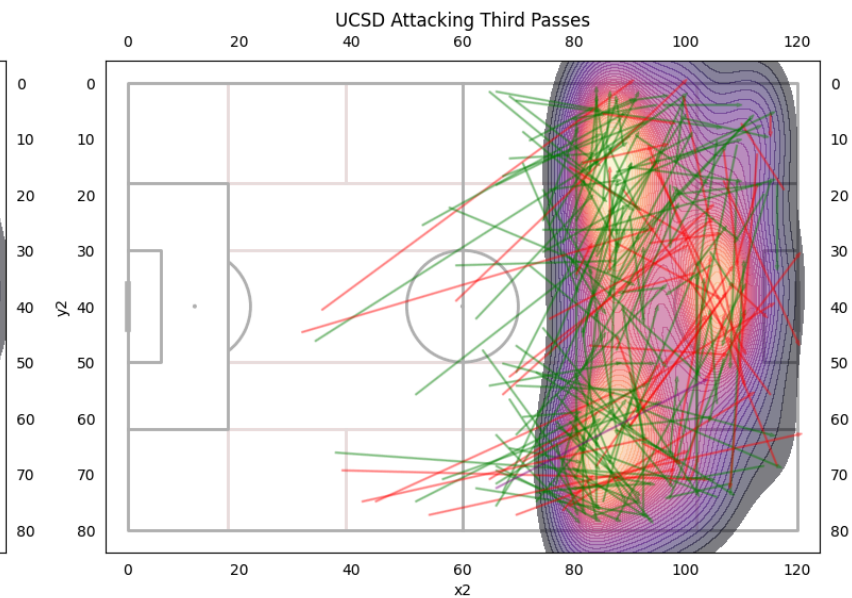

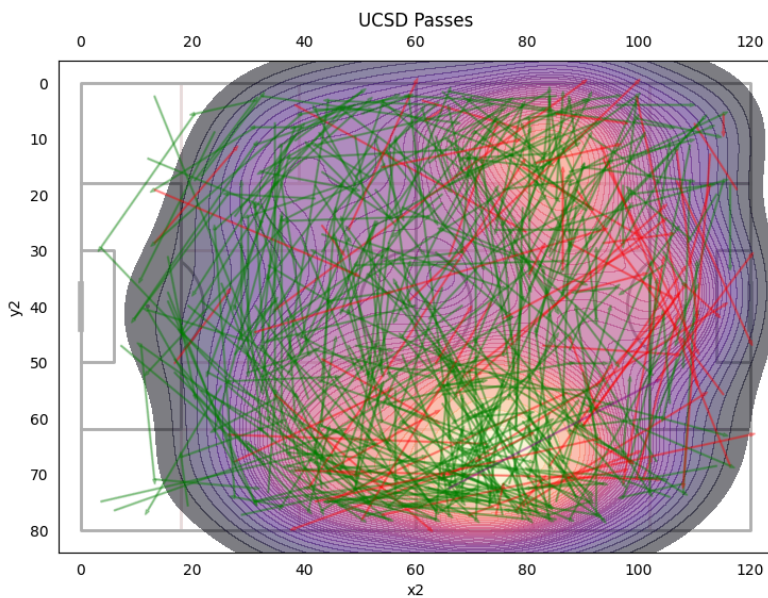

- We were 90.9% on throw ins while Riverside was 72.7% on throw ins
- Our pressing intensity was a significantly lower than previous games: we allowed 17.8 passes per defensive action when we normally only allow 11.5
- UCSD had an extremely good passing accuracy of 87% the highest this season
 - 2nd least amount of losses this season | majority of the losses were balls played into the opponent's box.
 - Very high crossing accuracy of 42.8% - McGee, James, and Carter crossing the most
 - **Extremely good forward passing accuracy of 79.6%** which is 11% higher than our average and is a very high accuracy
 - Adam (92.8%), Carter (88%), Keenai (95.6%), Nolan (90.4%), Quinn (87.9%), Val (91.3%) all had very good passing accuracies
 - Only 23.9 percent of Keenai's passes were forward
- Offensive duels accuracy was very high at 42.1% however, UCSD had only 76 offensive duels and did not take on a lot of Riverside's players | 14 duels below average
 - **Very few offensive duels around our opponent's box**
 - James (80%), Val (66%), Adam (50%), Carter (50%) all had very high offensive duels accuracy
- Defensive duels accuracy was very high at 66.6% and we did not have very many defensive duels (51) which is a good thing.
 - **They had very few offensive duels around our box**
 - **Their average offensive was 36.8 yards away from our goal | A significant improvement from previous game**
 - Everyone except Val and Ryan were above 50% on defensive duels, Keenai and Adam were both >80% which is extremely good.
